

**CHI YUN SCHOOL**  
**2023/24 School Year**  
**Free Lunch at Schools**

1<sup>st</sup> September, 2023

Dear Parents / Guardians,

The Education Bureau (EDB) will continue to provide Free Lunch at Schools for eligible primary students in the 2023/24 school year. You are now invited to join the programme. Before making an application, please read the details below:

**Eligibility:** Primary 1 to Primary 6 students meeting all of the following criteria can participate in the programme:

- (i) receiving full grant under the Student Financial Assistance (SFA) Schemes in the 2023/24 school year;
- (ii) studying in a whole-day government/aided primary school (including special schools) or a primary school under the Direct Subsidy Scheme; and
- (iii) having lunch arranged by the schools they attend (students bringing their self-packed lunch to schools will not be provided with the subsidy).

**Principles:** The funding will be disbursed directly to participating schools by EDB and schools should pay lunch expenses on behalf of eligible students.

**Points to Note:** (i) Participation in the programme is voluntary. Parents who wish to participate have to submit the following two documents to schools, including

- the duly completed reply slip attached to schools' circular with parents' consent on students' participation in Free Lunch at Schools;
- the Notification of Result for Assessment of Eligibility or Eligibility Certificate issued by the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency (WFSFAA) to prove that their children meet the eligibility criteria for receiving full grant under the SFA Schemes.

(ii) In principle, the provision of lunch subsidy should start from the date on which parents submit an application under the programme. Parents should not make a retrospective claim for any lunch subsidy before the date of application.

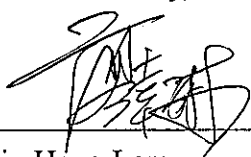

(iii) Since it takes time for vetting applications under the SFA Schemes and it is a common practice to make prepayment for lunch expenses, for parents who are pending the assessment result of the SFA Schemes when submitting an application for Free Lunch at Schools and have already settled the payment for their children's lunch expenses, on condition that they can produce the required documentary proof, the school will arrange for a refund by the lunch supplier.

(iv) Parents with no intention to apply for Free Lunch at Schools at the beginning of the school year may submit an application later. However, the provision of lunch subsidy will only start from the date on which they submit an application to the school. Parents should not make a retrospective claim for any lunch subsidy

before the date of application.

- (v) The school is required to verify a student's eligibility according to the information provided by SFO. If a student's full grant status under the SFA Schemes cannot be proven/ is rejected upon the review of SFO, the school would ask parents to pay the lunch expenses to the lunch supplier and to refund the sum that the school has paid on behalf of the student.
- (vi) The information provided by parents is only used for processing applications for Free Lunch at Schools.

Yours faithfully,

Liu Hang Lam

Acting Principal, Chi Yun School
