Seasonal Influenza Vaccination

30th September, 2021

Dear Parents,

Respiratory infection caused by seasonal influenza is common. It can be caused by various types of influenza viruses. Seasonal Influenza Vaccination is one of the effective means to prevent seasonal influenza and its complications, as well as, reduce influenza related hospitalization and death. The Residential Care Home Vaccination Programme 2021/22 will commence on 6 October 2021 and aim at finish all vaccination by mid of December. Details are shown below:

1. Free influenza vaccination is available to all students.
2. Please complete the reply slip on or before 10/10/2021, to enhance early coordination and preparation for the vaccination programme.
3. If parents/guardians allow student to join the vaccination programme, please sign the Vaccination Consent Form attached and return. School nurse will contact parents/guardians for follow up actions.
4. The vaccination date for students is expected in early November 2021.
5. Visiting Medical Officers enrolled in the vaccination programme, Dr. Lau Tung Wah is invited to provide vaccination in school. The injection is free of charge.
6. Please read the attached "Information about Seasonal Influenza Vaccination" for details concerning the vaccination programme.
7. For any enquiry, please contact school nurse-on-duty at **2386 2010**.

Yours faithfully

Chung Lai Kuen
Principal, Chi Yun School
