Upper respiratory tract infection in school

15th October, 2021

Dear Parents/Guardians :

We have reported to the Department of Health because of there are several boarders who have upper respiratory tract infection since 9th October, 2021. The Department of Health advises schools suspend face-to -face class and all activities from 16th October to 20th October. The classes can resume on 21st October. All staff and student should take COVID-19 tests according to the compulsory testing requirement of the CHP. They should only return to schools for work or study after obtaining negative test results. Persons who have received two doses of COVID-19 vaccine for more than 14 days are not required to undergo compulsory testing. Hence, we are performing a serial of efficient procedures to avoid the situation getting worse in the coming future such as:

1. Observation room:

- ◆ Close monitoring is provided for suspected to be infected case.
- ◆ Cutleries and daily necessities need extra hygiene management.

2. Enhances disease prevention and sanitation precautions consist of the followings:

- ◆ Routine monitoring of Body Temperature
- ◆ Clean and disinfect frequently touched surfaces, furniture, toys, utensils, toilet and floor by using appropriate disinfectant (1:49 diluted household bleach).
- ◆ Keep your hands clean and wash your hands properly
- ◆ Maintain good ventilation
- ◆ Emphasising personal hygiene to all staff and students
- ◆ Disinfection equipment, bed rails, handrails and improve the air-quality-index with "AP5"
- ◆ All staff, visitor or outside workers must wear medical mask.

3. Parents/Guardians responsibilities:

- ◆ Measure the body temperature of children before attending school
- ◆ To pick up student as fast as possible if individual inflection syndromes show up
- ◆ Please seek for the medical consultation as soon as possible when having respiratory symptoms, and also follow doctor's recommendation, to take rest at home and do not returns to school until recover. Please also inform school general office about medical conditions from school phone no. 23862010/23862064.

Yours faithfully,

Chung Lai Kuen
