

CHI YUN SCHOOL**2022-2023****Acute gastroenteritis in school**20th March, 2023

Dear Parents/Guardians :

We have reported to the Department of Health since there are 3 boarding student who have symptoms of vomiting and diarrhea starting from last Sunday. All students have been sent for medical treatment and are in stable condition. The Department of Health defines the current situation as “Acute gastroenteritis”, our school are required to conduct a six-day medical observation period, the medical observation period will end of there are no new cases during this period. Our school had disinfected the premises thoroughly to ensure cleanliness and hygiene, as well as cooperate with the Department of Health to formulate various epidemic prevention measures, and urge our staff to pay attention to personal hygiene and do all defense work. Hence, we are performing a serial of efficient procedures to avoid the situation getting worse in the coming future such as:

1. Observation room:
 - ◆ Close monitoring is provided for suspected to be infected case.
 - ◆ Cutleries and daily necessities need extra hygiene management.
2. Enhances disease prevention and sanitation precautions consist of the followings:
 - ◆ Routine monitoring of Body Temperature
 - ◆ Clean and disinfect frequently touched surfaces, furniture, toys, utensils, toilet and floor by using appropriate disinfectant (1:49 diluted household bleach).
 - ◆ Emphasising personal hygiene to all staff and students
 - ◆ Washing hands properly with soap and water or alcohol-based hand rub
 - ◆ Maintain good ventilation
 - ◆ Disinfect equipment, bed rails and handrails
 - ◆ All staff, visitors or outside workers must wear medical mask.
3. Parents/Guardians responsibilities:
 - ◆ Seek for medical consultation as soon as possible when having respiratory symptoms. Please also follow doctor's recommendation, to take rest at home and do not return to school until recover.
 - ◆ To pick up student as soon as possible if individual inflection syndromes show up.
