E- submission of student grant Applications-
Promotion for Parents in July and August

24th June, 2024

Dear Parents/Guardians :

The Education Bureau (EDB) announced on 6 June 2024 that starting from the 2024/25 school year, electronic submission (e-submission) of student grant applications will be expanded to private schools and kindergartens, covering all types of schools.

To submit student grant applications for the 2024/25 school year through the e-platform, parents only need to have a user account of "iAM Smart+" with a digital signing function and log in to the service platform of "e-Submission of Student Grant Applications" via the "iAM Smart" App.

Parents may register for "iAM Smart+" through the "iAM Smart" self-registration kiosks, registration service counters or mobile registration teams in various districts. Details can be found on the "iAM Smart" thematic website:

www.iamsmart.gov.hk/en/reg_location.html

The EDB is conducting promotional activities at schools across districts with booths set up for parents to register for "iAM Smart+" on site (see attachment). Parents can make an appointment at the following website:

forms.office.com/r/UNhdWCSA0i

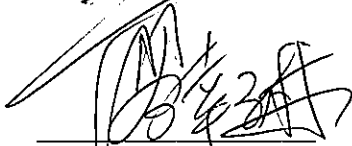

To streamline the process of on-site "iAM Smart+" registration for parents, parents have to enable the biometric authentication functions such as Touch ID, Face ID or Fingerprint authentication and install "iAM Smart" App in his/her personal mobile phone prior to the school activity. Parents are also required to prepare the following for on-site registration :

1. Hong Kong Identity Card;
2. Personal mobile phone (equipped with biometric authentication (e.g. Touch ID or Face ID), and downloaded as well as installed "iAM Smart" App);
3. Provide an Email Address which can receive emails.

Please find the attachment for further information. Thank you for your attention. Should you have any enquiries, please contact 3850 2000(EDB Student Special Support Section) or Ms. Tsang at 2386 2010.

Yours faithfully,

Liu Hang Lam
